YOU ALL

HAVE HEARD OF

HOOFLAND'S GERMAN BITTERS,

AND

HOOFLAND'S GERMAN TONIC.

Prepared by Dr. C. M. Jackson, Philadelphia. Their introduction into this country from Germany occurred in

1825.

THEY CURED YOUR

FATHERS AND MOTHERS,

And will cure you and your children. They are entirely different from the many preparations now in the country called Bitters or Tonics. They are no tavern preparation, or any thing like one; but good, honest, reliable medicines. They are

The greatest known remedies for

Liver Complaint,
DYSPEPSIA,
Nervous Debility,
JAUNDICE,
Diseases of the Kidneys,
ERUPTIONS OF THE SKIN,

and all Diseases arising from a Disordered Liver, stomach, or

IMPURITY OF THE BLOOD.

Constipation, Flatulence, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried or Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the sight, Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and Great Depression of Spirits.

All these indicate diseases of the Liver or Digestive Organs, combined with impure blood.

HOOFLAND'S GERMAN BITTERS

is entirely vegetable and contains no liquor. It is a compound of Fluid Extracts. The Roots, Herbs, and Barks from which these extracts are made, are gathered in Germany. All the medicinal virtueus are extracted from them by a scientific Chemist. These extracts are then forwarded to this country to be used expressly for the manutacture of these Bitters. There is no alcoholic substance of any kind used in compounding the Bitters, hence it is the only Bitters that can be used in cases where alcoholic stimulants are not advisable.

HOOFLAND'S GERMAN TONIC

is a combination of all the ingredients of the Bitters, with PURE Santa Cruz Rum, Orange, etc. It is used for the same diseases as the Bitters, in case where some pure alcoholic stimulus is required. You will bear in mind that these remedies are entirely different from any others advertised for the cure of the diseases named, these being scientific preparations of medicinal extracts, while the others are mere decoctions of rum in some form. The TONIC is decidedly one of the most pleasant and agreeable remedies ever offered to the public. Its taste is exquisite. It is a pleasure to take it, while its life-giving, exhilarating, and medicinal qualities have caused it to be known as the greatest of all tonics.

DEBILITY.

There is no medicine equal to Hoofland's German Bitters or Tonic in cases of Debility. They impart a tone and vigor to the whole system, strengthen the appetite, cause an enjoyment of the food, enable the stomach to digest it, purify the blood, give a good, sound, healthy complexion, eradicate the yellow tinge from the eye, impart a bloom to the cheeks, and change the patient from a short-breathed, emaciated, weak, and nervous invalid, to a full-faced, stout, and vigorous person.

Weak and Delicate Children are made strong by using the Bitters or Tonic. In fact, they are Family Medicines. They can be administered with perfect safety to a child three months old, the most delicate female, or a man of ninety.

These remedies are the best

Blood Purifiers

ever known and will cure all diseases resulting from bad blood. Keep your blood pure; keep your Liver in order; keep your digestive organs in a sound, healthy condition, by the use of these remedies, and no diseases will ever assail you. The best men in the country recommend them. If years of honest reputation go for anything, you must try these preparations.

FROM HON. GEO. W. WOODWARD,

Chief Justice of the Supreme Court of Pennsylvania.

PHILADELPHIA, March 16, 1867.

I find that "Hoofland's German Bitters" is not an intoxicating beverage, but is a good tonic, useful in disorders of the digestive organs, and of great benefit in cases of debility and want of nervous action in the system.

Yours Truly,
GEO. W. WOODWARD.

FROM HON. JAMES TAOMPSON.

Judge of the Supreme Conrt of Pennsylvania.

PHILADELPHIA, April 28, 1866.

I consider "Hoofland's German Bitters" a valuable medicine in case of attacks of Indigestion or Dyspepsia. I can certify this from my experience of it. Yours, with respect,
JAMES THOMPSON.

FROM REV. JOSEPH H. KENNARD, D. D.,

Pastor of the Tenth Baptist Church, Philadelphia.

DR. JACKSON—DEAR SIR:—I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes. Yours, very respectfully,
J. H. KENNARD,
Eigth, below Contes Street.

CAUTION.

Hoofland's German Remedies are counterfeited. The Genuine have the signature of C. M. JACKSON on the front of the outside wrapper of each bottle, and the name of the article blown in each bottle. All others are counterfeit.

DEMOCRATIC NATIONAL NOMINEES.

FOR PRESIDENT,

HORATIO SEYMOUR,

OF NEW YORK.

FOR VICE PRESIDENT,

FRANCIS P. BLAIR,

OF MISSOURI.

CAMPAIGN SONG.

A CONTRAST BETWEEN DEMOCRATIC AND RADICAL RULE.

AIR—SUSANNAH.

Our fathers made a government,
And fixed it up all right;
The people then were all content,
Their taxes were so light;
The Democrats then had the rule,
The laws they made were just;
They also had another rule—
"In God we put our trust."

Chorus.—Then our taxes
Were so very light,
We always had the cash on hand
To pay them off at sight.

While Democratic men did rule,
Our income was so great
We had a "surplus revenue"
To give to every State;
The people then were rich and gay,
With plenty were content,
And every patriot did say,
God bless the government.

Cho.—Then our taxes, &c.

Now Radicals have made a debt
More than we can figure;
And they will make it bigger yet
In Bureaus for the nigger;
For now one half of all we make
With plow, or spade, or axes,
The government is sure to take
In the way of taxes.

Cho.—Now high taxes
Are daily growing bigger;
We pay a million every week
To feed the idle nigger.

But working men of every class
Have now made up their mind
To give the Radicals a pass,
And leave them all behind;
It will be done now, you may bet
The buttons on your coats,
Then we will pay the nation's debt
In legal-tender notes.

Cho.—Then our taxes, &c.

WE tell our Democratic friends to compel political opponents to contest this canvass on *facts*—not on personalities.

Tell them we go before the people on the great issues. Shall we restore the Constitution and the Union of our fathers? Shall we restore and preserve the supremacy of the white race, or make the negro the ruling element?

Shall we preserve and continue the immense National Debt, to please the Bondholders?

Shall we continue a large standing army to support the negro power south?

Shall we continue the Freedmen's Bureau to aid the despotism south and the carpet baggers?

Shall we continue to give the Bondholders gold and other people rags worth about 70 cents on the dollar?

Shall we continue to vote all these and thus vote over five hundred millions of taxes upon ourselves?

All persons who wish to continue this condition of things will vote the radical ticket from the President down—those opposed, will not so vote.

Choose ye between!

In 1861, when the Abolition party came into power, the public debt was only seventy millions. That party has been in power eight years, and the debt is *Twenty-five hundred millions.* During Buchanan's administration the expenses of the general government were about seventy millions annually. Now, under Republican rule, they are over *five Hundred millions a year!*

This is the *honest reform party!*—Facts are stubborn things.

In thrusting Virginia, Mississippi and Texas out of the Union of the States, and placing them under the sword of the military, the Radicals are guilty of revolutionary usurpation. The act is an outrageous violation of the Constitution, and will surely be resented by a free people. Under our federal system of government, there is no place in the Union for subject provinces.

"Let us have peace," says Gen. Grant. His wish will be realized next November, when he will receive his everlasting quietus, and through the election of Seymour the country receive the peace it so greatly needs.

The Radicals are fast urging the country to the very verge of a new and terrible civil war. In thrusting three States out of the Union, and in attempting, through the action of carpet-bag Legislatures, to deprive the people of two other States of their suffrages for President, the Radicals have carried their gigantic usurpation far beyond the point of forbearance. When the war, wantonly provoked by Greely, Forney and other Jacobin incendiaries, shall come, they will not be suffered to lurk in the rear and shout, On to Richmond!

I have knocked you down, I have beaten you, I have spit in your throat, I have picked your pocket, says the trooly loil man, and now if you beat me back again or attempt to deprive me of my hard-earned gains, I will cry out revolution, and everybody who isn't a rebel and a traitor and a bloody revolutionist and a disloyal man and a repudiationist will fly to my rescue. Let us have peace; and now, my good friend, for another dig at your purse.

The speculators, traders, and Indianagents have again succeeded in provoking an Indian war on our Western frontier. Despatches from Kansas state that the Indians have mustered in force variously estimated from 600 to 1,500 men, and have threatened to sweep the remote settlements. Women and children are reported as fast coming up to the denser settlements, for protection.

In one of Chief-Justice Chase's letters he says: "Four years more the rule of such men as are now dominating Congress will leave us little of morality and Republicanism worth preserving." This, we suppose, answers the question, whether Mr. Chase will support the Democratic nominees. And it ought to answer the question as to whom thousands of conservative and fair minded Republicans will support.

The recent victories in Kentucky, Oregon, and Montana are having their effect upon the Radicals, as powerful as that upon Belshazzar when he saw the mysterious writing upon the wall. Already there is wavering in the ranks. As they hear further Democratic inroads upon their ranks they will break and scatter in dismay. Their no-policy reader finds no countenance among the intelligence of the country.

Our Democratic exchanges are going into the chicken business again, over recent victories. Talk of chicken choler! It hasn't visited Democratic coops. Even the appearance of a Radical political preacher wouldn't affect those roosters. They look defiant, and are doing a wonderful amount of crowing.

The Democrats are showing great spirit everywhere. The genuine enthusiasm of the country is with them. It rests with the active workers to bring it out. Raise the true issues of the day, and thousands of our old friends will leave the Radical crowd. The Democracy and Constitutional Government is our motto.

The *Tribune* adroitly resorts to the Robinson election case in Pennsylvania to direct public attention from the stupendous frauds in Florida, by which a bogus Legislature takes away from the people of an entire State the right to vote for President.

Who are the peace-makers? The ex-rebel Generals Cheatham and Forrest, who implore for peace, or the truculent Radical Parson Brownlow, who sent an armed negro militia at the throats of the people? The Pittsburg *Chronical* answered the other day.

The *Press* shamelessly persists in its advocacy of the usurpation of the carpet-bag Legislature of Florida, in choosing electors for President, in order to defeat the will of the people.

The Radical tariff polioy increases the receipts of the treasury, and enriches the capitalist, but does not increase the wages of labor.

The Radicals claim that the carpet-baggers have repealed the disfranchising laws in Alabama. Yet they require every voter to swear that he is in favor of negro suffrage.

The substitution of the National Bank currency for the greenbacks of the Government, costs the people $18,000,000 annually in interest.

Gen. Grant will be about as successful in riding into the White House on his mule, as Fremont was on his wooly horse.

The bondholders have their *interests* at stake upon the next election. But their interests and the people's are not the same.

Cotton is grown in thirteen of the United States and one Territory.

OUR FINANCES.

Judge Thurman on Debt and Taxation.

The Hon. Allen G. Thurman, of Ohio, addressed the recent West Virginia Democratic Mass Convention, following Mr. Pendleton. Judge Thurman was the Democratic candidate for Governor of Ohio at the last election, and is the United States Senator elect who will take Ben. Wade's place next March.

The Public Debt.

Judge Thurman said the public debt amounted to $2,500,000. What it was exactly at this time was difficult to say, from the fact that the Treasury Department wat quite dilatory in making its monthly statements. Perhaps this neglect arose from the fact that at the last monthly statement the debt had increased about nine millions of dollars in a single month, and that the next month will show an increase of twenty millions—a monthly expenditure sufficient in the days of Jackson to run the government for six months in all its departments, while this is simply the increase of the public debt for the short space of one month. The speaker read from the printed report of the Secretary of the Treasury to prove the correctness of his estimates.

Taxation Then and Now.

What a contrast this condition of national finances presented with that which existed at the time that Jackson made his proclamation that the United States owed not a cent in the world! Why wonder these Radicals sought to avoid the issue, and declared the only question was whether we should have another civil war? This cry might do to frighten a few—the speaker was about to say old women, but he would not—it might do to frighten a few wavering men, who could be frightened out of the country by a few old women with broomsticks. This terrible second civil war was put forward now to divert attention from the public debt.

Compare our debt with that of Great Britain. Our debt was two thousand eight hundred millions, that of Great Britain four thousand millions. But while our population was only 31,000,000, the population of Great Britain was 36,000,000. The rate of taxation in Great Britain was ninety cents on the hundred dollars, while the American people were taxed at the rate of $3.93 on the hundred dollars; more than three times as much as the taxes imposed on what we had been in the habit of pitying as the poor, tax-ridden people of Great Britain. Some one might say, "You are mistaken, Mr. Thurman; I do not pay $3.93 on the hundred dollars." It might not be the case with individuals, but such was the rate of taxation on the people in the aggregate, upon their personal and real estate.

Who Pays the taxes?

It might be claimed that the laboring poor paid no taxes. That was a great mistake. Labor paid all the taxes. [Tremendous applause.]

How was it that labor paid all the taxes? The problem was simple. It could be proved from the Scriptures: "In the sweat of thy face shalt thou get thy bread." It was the mandate of Heaven, that nothing was produced without labor. Not a particle of wealth was created except by labor. The little poverty stricken boy of Western Virginia, who followed the plow, contributed more to the material wealth of the country than did the richest boddholder who rolled in luxurious ease. [Applause.] The grain of corn dropped by the little boy would grow and benefit the world, but the man who did nothing but live on the interest of his bonds added nothing to the wealth of the country.

Suppose some ambitious young copperhead should take it into his mind to be the owner of six shirts—but if this Radical government continues much longer, you won't be able to make so expensive an investment. [Applause.] This ambitious young copperhead goes to the store and proposes to get eighteen yards of muslin, for which the merchant charges four dollars. "How is this," says young copperhead, "I used to buy eighteen yards of muslin for two dollars?" If the merchant answered truthfully, he would say, "It is true we now charge you four dollars for the same quantity of muslin you used to buy for two dollars." The reason is this: There is a tax of three cents a pound on the raw cotton. The manufacturer who buys must add this to the price of the manufactured article. Then Uncle Sam comes to him and says: "Dear Mr. Shoddy, I bought shoes of you in Massachusetts which lasted my soldiers only a few days; you sold me cloth to make them pantaloons, which were not whole any longer after they had stopped to drink from the brook the first time. I put a little tax on your business." Mr. Shoddy puts that little tax on the manufactured goods and charges it on the merchant. Then comes Uncle Sam to the merchant and says: "My dear fellow, I know you are truly loyal (laughter and applause; you must pay taxes on your sales." Or, if he is not truly loyal, so much the more necessity that he shall pay, and this is clapped on the price, and when he finds young copperhead comes to buy his six shirts he finds three separate taxes on the goods, which he has to pay. You see now who has the taxes to pay. It is the laboring man. And so he will have these taxes to pay until the Radical party is dead.

Judge Thurman dwelt at some length upon the draughts made upon the people's pockets by the government. A national debt has been pronounced a national blessing; but the problem had failed to be solved satisfactorily to those who suffered the effects.

The aggregate value of the property in this country was below what it was in 1860. Then the negroes were put down at a thousand millions. Lands can now be bought in the South at five dollars an acre, which were before the war worth fifty dollars per acre.

We have in this country the most inexorable system of taxtion in the world. It follows a man into every nook and corner of his business. If his wife has made a pound of butter, it is put down on his income list. If some old grandmother has plucked the feathers from an aged and forlorn goose, the feathers and the poor old goose must be taxed to support the government. These inquisatorial tax-gatherers have raked this country from centre to circumference to find every particle of property that can be taxed.

TAX OFFICE SCENE.

Tax Collector—Now, Mr. Jay Cooke, we are ready for you, sir. Your "moneys and credits" show $120,000; your household furniture, office fixtures, horse and buggy, and some other little things, foot up $4,575 more, Total, $123,000. Deduct $120,000 held in 5-20 Government bonds, which are not taxable, and the balance is $3,575. Your State and county tax on this last amount is $71.50.

Now, Mr. Bellows, I have your receipt ready. Your "monies and credits" show $950; shop fixtures and tools, $1,875; household furniture, $850; horse and wagon, $275. Total taxable for State and county purposes, $3,950. Tax $79.

Bellows—How is this? Jay Cooke's personal property amounts to $123,575 and he pays only $71.50 State and county tax, while I, with less than $4,000, all told, am asked to pay $8,50 more than he.

Jay Cooke—Ah, my good friend, you see my $120,000 in bonds are not taxable. In the country's extremity, with other truly loyal men, I came to the rescue with my greenbacks. I loaned my bleeding country, threatened with destruction by rebels and copperheads, my money, and with that gratitude which becomes a grateful people "engaged in the interests of God and humanity," I am exempt.—Thus it should be with a magnanimous christian people.

Bellows—And I, in my country's real extremity, had no greenbacks to loan, but I shouldered a musket, and gave my body to the cause, a leg of which I left on the field of Shiloh, as you see, but a "grateful people, engaged in the interests of God and humanity," have no tax-exemption for me. This may be all right, but I don't see it.

Jay Cooke—But you see, Mr. Bellows, mine was a voluntary act. I could not have beencompelled to furnish the money. You volunteered, it is true, but you could have been compelled to go.

Bellows—Yes, sir. I did volunteer when my services were needed, but your voluntary act was after the act was done—when you felt sure your investment was safe. The policy that exempts your hundreds of thousands from taxation and taxes my few hundreds is founded on villainy, sir. You loaned your greenbacks worth less than six cents on the dollar, and are now claiming dollar for dollar in gold in payment. I risked my life and gave a limb to the cause, and when I came home to my family, and to work for their support, I am made to pay full National, State and county taxes on my little possessions, while bonds, purchased with depreciated greenbacks, are exempt.

This nice little game of "God and humanity," superfine loyalty and patriotic disinterestedness, is downright robbery, sir, and they who uphold it are no better than thieves, sir. With our ballots next November, we will sink any man, or set of men, who stand up for it, so deep that the sound of Gabriel's trump will never reach them. Do you mind that, Mr. Jay Cooke? Exit disputants.

Tax Collector, *solus*—It strikes this individual very forcibly, that it ain't all wind that blows out of that bellows.

SENATOR DOOLITTLE'S INDICTMENT OF THE RADICAL PARTY.

In a single sentence Mr. Doolittle has crowded a terrible indictment of the Radical party. He is no Democrat, but a Republican of the Lincoln school. He went with his party until it struck wildly for despotism, and then he left it to its fate. It has no stronger antagonist. He says, in the sentence referred to:

"In violation of the Constitution; in violation of the pledges made and often repeated, from the first battle of Bull Run to the end of the war; pledges to the North to get men and money; pledges especially made to the Democracy to get their support in the field and in the elections; pledges made to the South to induce them to lay down their arms and to renew their allegiance; and pledges to foreign powers to prevent intervention—in violation of all these solemn pledges, upon which we invoked the blessings of Almighty God upon our cause, and by which alone we gained strength to master the rebeelion; in violation of the natural and inalienable rights of the civilized men of every State to govern themselves, and in violation of the clear provision of the Constitution, which leaves to each State for itself the right to regulate suffrage, this party has, by expost facto laws, difranchised hundreds of thousands of the most intelligent of their citizens, and has forced upon ten States and six millions of our own Anglo-Saxon race the universal and unqualified suffrage of seven hundred thousand ignorant and, in the main, half-civilized negroes."

Quite a large party of English tourists have congregated at Niagara Falls.

The tariff policy of the Radicals robs the people of millions annually for the benefit of rich monopolies.

CURTIN ON SEYMOUR.

Some two or three weeks since we published the telegrams that passed between Secretary Stanton, Governor Curtin and Gov. Seymour, at the time the Confederate army, under Gen. Lee was invading Pennsylvania. It will be remembered that Lincoln, Stanton and Curtin all expressed themselves highly grateful to Gov. Seymour for the prompt and efficient aid rendered to Gov. Curtin in the hour of his extremity and distress. We are glad to see that Governor Curtin still adheres to the good opinion he then formed of Gov. Seymour, and is manly enough to avow his admiration of our gallant candidate. We ask those Radicals who are accusing Mr. Seymour of *disloyalty*, to put the following in their pipes and smoke it:

Said a gentleman to Mr. Curtin the other day, as they sat in the reading room of the Union League club house in Philadelphia: "Well Governor, what is your opinion of the Democratic Convention?" "I think," said the Governor, "that a stronger ticket might have been selected, such as Hendricks and Hancock for example." "But," continued the questioner, "what is your opinion of Governor Seymour?" Mr. Curtin replied: "Well, sir, if I were asked to mention a man who, in my estimation, possessed the attributes of a perfect gentleman, a cultivated scholar, a thorough statesman and a sincere Christian, I could without hesitation name Horatio Seymour of New York." "How about Seymour's loyalty?" "After the dispatches that I sent Seymour at the time of the rebel raid into Pennsylvania," replied the Governor, "it would hardly become me to impugn his loyalty; *the fact is I have never doubted it.* I understand that Belmont is having all the dispatches sent by Stanton and myself printed, and I have no doubt they will be in the hands of every Democratic stump speaker through the campaign. We had better give up attacking Seymour's loyalty, for the opposition hold the trump card in that matter."

Exactly. We *do* hold the "trump card in that matter," and we intend to prove, out of the mouths of their own witnesses, that all the mean, slanderous, miserable charges now made by the Radical Party against Mr. Seymour, are the basest fabrications that ever poluted the lips of the most unconscionable liar out of pandemonium.

LARGE INCREASE OF THE NATIONAL DEBT IN JULY.

The official statement of the public debt has just been published.

It shows an increase, during the month of July, of *Thirteen Million, Two Hundred and fifty-eight Thousand, Five Hundred and Ninety-three Dollars, and Ninety-three Cents.*

What has become of all the money raised by taxation?

How has it been squandered?

To what purposes has it been applied?

The debt has constantly increased for months.

Is that to continue?

Are the people to be taxed as they now are for all time to come; and never to see the debt reduced or paid off?

When will we see economy practiced by the Government?

When will some wise financial system be adopted?

How long are we to endure the rule of the set of thieves and public plunderers who are expending all the money wrung from the toil and sweat of the masses, and constantly increasing the debt?

The people are asking themselves these questions.

There can be but one answer to them.

Not until the Radicals are turned out of power will there ever be a change.

Let the tax-ridden masses remember that when they go to vote.

A WALKING CAR.—A man in New York has invented and patented a device for the propulsion of hand vehicles and vessels. The device is to make a carriage move forward on its wheels, turning against the carriage, and not against the ground, that being touched only by a series of feet which come to the ground and rise from it with the rotation of the wheels which run on a sort of endless rails under the carraige and attached to it. The contrivance is believed to be applicable to farm uses and heavy freight, as well as to ordinary passenger carrying, and to be specially adapted to swampy and boggy lands, into which wheels sink readily; for the feet of this carriage, which alone touch the ground, can be made as broad as necessary to avoid sinking.

It is the solemn duty of every true lover of his country, to come out now against the aggressions and usurpations of the Radical party. Let no personal or selfish considerations, no mere party tie, hold him back. If Grant shall succeed, the country will be ruled by the sword and by a vindicative Radical faction, led by Ben Butler, in Congress. The Supreme Court will be crushed, the Constitution utterly destroyed, and the liberties of the people trampled in the dust.

THE BLACK TEST.

"I do solemnly swear that I accept the civil and political equality of all men, and agree not to attempt to deprive any person or persons, on account of race, color, or previous condition, of any political or civil right, privilege, or immunity enjoyed by any other class of men. So help me God."—*Southern Radical Carpet Bag Constitutions.*

No northern man, soldier or civilian, can become a citizen of any the "reconstructed states," without taking this oath.

THE MONTANA AND IDAHO ELECTIONS.

The territorial election in Montana has again resulted in a triumph of the democrats. Last year Montana elected James M. Cavanaugh, democrat, to Congress by a majority of 1,108. This year the democratic majority for Congressman is about 2,500—a democratic gain of about 1,400 in a single year. The election took place on the 3d inst.

Advices *via* California from the Idaho election state that Judge Shaffer, the Democratic candidate for Congress, was three hundred ahead. His election is claimed by six hundred majority.

RADICAL CONVERSIONS.

As a set-off to the long list of names of distinguished Republicans all over the country, who have declared for Seymour and Blair, the *Tribune* published, not many days ago, and was published in the Bedford *Inquirer*, a list of Radical conversions. This list has already had extensive circulation among the "rural Caffres," for whose consumption it was prepared. It contains the names of Caleb Cushing, Senator Doolittle, Gen. Steedman, Gen. Rosecrans, Collector Smythe, Wm. M. Evarts and Secretaries Seward and M'Culloch, not one of whom supports Grant and Colfax. The small number of names remaining on the list is of no importance, personal or political, and is, doubtless bogus.

THE many friends of John P. O'Neill, Esq., will be gratified to learn that he has been appointed by the President, District Attorney for the Easten District of Pennsylvania. Mr. O'Neill is an excellent lawyer, a courteous gentleman and has the tact and industry to make a most capable and useful officer.

WHO SHALL DECIDE?

The people of this country are at present greatly exercised on the subject of the currency, and the payment of the national debt. The policy of the Democratic party is clearly defined in the platform. The Radicals have given no promise of a policy on the subject. The financial resolutions in the Chicago platform are obscure and equivocal, leaving room for any range of interpretation which may suit the candidate, or the locality. Among the farmers of the West, the Radical politicians pretend to favor payment of the public debt in greenbacks. With the bondholders of the East, the same Radicals bluster about payment in gold, and denounce everybody else as a repudiator. The platform speaks mysteriously about payment according to the letter and spirit of the law, but carefully omits to define what that spirit is. Some Radicals pretend that the platform means payment in coin, but in Congress they advocate the Democratic greenback policy. Many members of the party insist that the five-twenty bonds, bearing six per cent. interest, must be redeemed in new bonds, bearing only four per cent. interest. Other Radicals yet, denounce the Democrats as swindlers and repudiators, because they propose to tax the bonds, yet these same men renominate for seats in Congress the very members who voted, in the last House, for a proposition to tax the interest, at the rate of ten per cent. Since it is vain to look for a solution of the Radical financial policy in the Chicago platform, since the action of Congress has been so shuffling and contradictory, and since there are so many apparent divisions in the party, the people have a right to call on Grant for a distinct and authoritative exposition of his views, on this important subject, so deeply affecting the interests of every member of the community. If Grant has any decided interest in the great questions of finance beyond drawing his enormous life salary of eighteen thousand a year, now is the time to manifest it. It will not do to take refuge in silence behind the Chicago platform, nor in the trick of modesty and a naive pretence of ignorance of financial questions.

The people are anxious to know what will be the policy of the administration of the next four years. Butler, since Wilkes effected the reconciliation, will lead the Radical party in the House, and in case of Grant's election will be his mouth-piece on the floor. Butler is in favor of paying off the five-twenties in greenbacks. He occupied the same ground precisely with Thaddeus Stevens, and voted, besides, in the last session of Congress, to tax the interest on the bonds. He goes the full length of the Pendleton theory, and would carry a majority of the Radicals in Congress with him. On the other hand, in the Senate, the advocates of the payment of the bonds in gold, seem to be in a decided majority, the only Radical of any prominence in the Senate who espouses the greenback theory being Senator Morton, of Indiana. This marked division among the Radicals would cause a rupture in the party immediately on the accession of Grant to the Presidency, and would prevent the adoption of any measures of finance for the relief of the people. Nothing but the cohesive attraction of public plunder has prevented divisions from taking place long ago. The Radical candidate, in justice to the country, should define his position at once on this subject, unless he be determined to remain mum, and adhere to his "no policy" programme to the last. But it is not possible that the people of this country will confide its great financial interests in the hands of a man who is too ignorant or too obstinate to declare his opinions, if he has any.

THE BRAG GAME.

The *Valley Spirit* says: a highly respectable citizen of Chambersburg was at Bedford, a few days ago, and heard John Cessna declare publicly, in his steam whistle voice, that eleven Democrats of Greencastle, men of influence, were going to vote for Grant. Now we say that ten-elevenths of this story is wholly false and untrue, and we dare little John to name the men. He can't do it. We publish this statement to put the public on notice of the manner in which our old Democratic friend is going to conduct the campaign. It is to be brag. One thing we can assure him of as well as the public, that for every Democratic change, we will show ten Republican changes.

The Radical emissaries in the South have a double purpose to serve in promoting tumult and disorder; in inciting a war between the races, they furnish a pretext for military interference, and at the same time, supply the Radical newspapers in the North with necessary material for carrying on the political campaign. In the midst of the embarrassment and dangers which surround the Southern people, they are displaying a wisdom and forbearance which will gain for them the admiration of all but their malignant and vindictive Radical foes.

EXPENSES OF OUR STATE GOVERNMENT.

Their Increase Under Radical Rule.

Comparative Expenditures of the last Democratic and the last Radical Legislatures.

The Economy of Slenker, the Democrat, vs. the Extravagance of Hartranft, the Radical, as Auditor General.

LOOK AT THE FIGURES!

We have compiled, from the Executive Documents of the State, the following table, to which we ask the close attention of the reader:

Expenses of the Legislature per annum during the nine years preceding the accession of the Republicans to power:

Year.	Amount.
1852	$103,334 05
1853	97,954 15
1854	125,599 61
1855	124,821 67
1856	127,492 67
1857	194,021 88
1858	172,452 15
1859	175,598 22
	1,231,274 40

Expenses of the Legislature per annum during the nine years of Republican ascendancy.

Year.	Amount.
1860	$177,284 65
1861	209,600 31
1862	184,344 07
1863	183,550 62
1864	291 815 71
1865	260,689 26
1866	272,977 25
1867	321,452 27
1868*	350,000 00
*Estimated.	2,251,744 14
	1,231,274 40

Excess of Rad. expenses 1,120,469 74

Thus, it will be seen, the figures show that during the nine years of Radical rule, the making of our State laws, has cost the people upwards of ONE MILLION, ONE HUNDRED AND TWENTY THOUSAND DOLLARS more than it did during the nine years preceding the accession of Radicalism to power, or at an average of about ONE HUNDRED AND TWENTY-FIVE THOUSAND DOLLARS per annum more than under Democratic rule. The expenses of the last Legislature also show that the tendency is to increase instead of diminish. Compare the cost of the last Radical Legislature with that of the last one in which the Democrats had a majority in both Houses, and we have the following exhibit:

1868 (R.)	$350,000,00
1858 (D.)	172,452 15

The reader must not commit the error of supposing that the above tables show the sums of all the appropriations for each year. These figures cover only *the cost per head of the members, clerks and attaches of each Legislature.* The appropriations made by them for other purposes, amount to many millions, and are not here taken into the account at all. In order to make the matter clearer, let the above sums be divided by 133, the whole number of Senators and Representatives, and the *cost of each member, to the State*, will be ascertained. Thus, a member of the Democratic Legislature of 1858, with his proportion of the incidental expenses added to his salary, cost the State $1,296, whilst a member of the Radical Legislature of 1868, with his proportion of the incidental expenses added to his salary, cost $2,631! With the difference between gold and greenbacks added to the cost of the Democrat, it would bring it up to only $1,825, or $805 less than that of the Radical, showing that 133 members of the Radical Legislature cost $107, 198 more per annum than 133 members of the Democratic Legislature, even upon an equalization of the currency of 1868 with that of 1858.

So much for the expense of the Legislature. Now, let us take a peep into the accounts of the Auditor General's office. We find the expenses of conducting that department as follows:

Year.	Amount.
1863	$12,393 01
1864	14,469 02
1865	16,001 99
	$42,864 02

During these three years, Isaac Slenker, Democrat, was Auditor General, and whilst he was in office more labor was required in the department than ever before, or since, owing to the pressure of business growing out of military affairs. Now look at the expenses of the next three years:

1866	$29,699 26
1367	19,502 12
1868	21,000 00
	$61,191 38

Gen. J. F. Hartranft was elected Auditor General in 1865, and during his administration of that office the expenses thereof have increased $18,327.26, or $6,109.08 per annum. He is now the Radical candidate for re-election.

The public now have the figures as proof of the extravagance of Radical legislators and officials. We shall expose the reckless appropriations of the Legislature and the abuses in other departments of the State government, in due time. Let the above suffice to show the cost of *the services* of our legislators and Auditor General.

IT is quite unfortunate for the Radical party that the freedmen cannot read the cart loads of copies of the *Press* and *Tribune* sent down South every week. The Northern Radicals have grown tired of them, and they are compelled to seek a new market.

The Radicals in Congress increased their wages, and then increased the taxes.

PENNSYLVANIA COFFEE.

A Mr. Coffey addressed the terrified Radicals of this place on last Saturday evening. To give our readers an idea of how much truth there was in what he uttered, we will give them a specimen brick of his speech. If we can prove that he started out by uttering a willful, deliberate and slanderous falsehood, it can easily be imagined how much truth there was in the balance. In speaking of our gallant standard-bearer, Seymour, this Coffey said that he "did all in his power to aid the rebels during the war." Now, it is not necessary for us as Pennsylvanians, to refute this slander against one who did more to save our State from being overrun by the Southern armies than any other man who wielded influence or power in the North at that time, but we will take the testimony of prominent men of the same party to which this browned Coffey professed to belong, and then leave them to settle the question of veracity among themselves. The official congratulations of Lincoln and Stanton to Gov. Seymour for his prompt and efficient aid in repelling the invasion of the North; the vote of thanks of the New York Republican Legislature, are matters of history which the whole batch of Radical small-fry politicians cannot wipe out. Even Gov Curtin who was urging the people of Pennsylvania to defend their soil, while Seymour was sending regiment after regiment into this state for our protection, cannot be induced to say anything that would give a shadow of truth to what the small beer politicians are slanderously uttering against the man who saved their precious necks in 1863. Gov. Curtin said publicly the other day that he "never doubted Seymour's loyalty and patriotism," and *he dare not say anything else during this political contest.* Only the demagogues and political tricksters of the Radical party have resorted to this wholesale method of lying to bolster up their rotten cause that is already stinking in the nostrils of the people. It shows clearly to what desperation the Radicals are driven to save themselves from the utter annihilation that awaits them at the coming elections.

BEFORE the war nothing was more universally denounced as anti-Republican than the South Carolina mode of choosing Presidential electors—by the legislature. South Carolina was for this assailed as an oligarchy on every Republican stump, and through all their press. But now these canting friends of liberty and equality seize on this outworn process of South Carolina, to defeat Seymour and Blair. The only difference in the two cases is, that the legislature was the legitimate organ for the expression of the will of the people of South Carolina, whilst these legislatures of Florida and Alabama are fraudful and usurping, acting in utter defiance of the popular will. There is not a shadow of legality in the legislature of Alabama, nor in the Constitution under which it pretends to act. That of Florida is the creation of the Bureau and the bayonet.

FORNEY ON SEYMOUR.

The immaculate Forney in 1863 could not say enough in praise of Gov. Seymour's prompt response to Pennsylvania's call for help. In 1868 this same demagogue leads all the hounds of the pack in assailing the private and political character of the man on whom he then bestowed such merited praise. Forney is a jewel of consistency. Hear him through the *Press* in 1863 and then compare it with the *Press* of to-day:

"Honor to New York! Her Governor has acted like a man who knows when the time of partizanship is at an end. Her gallant Seventh is now at Harrisburg, and, side by side with our brave Pensylvanians, preparing to resist the invaders. This is the true spirit of brotherly love. But while the city of New York is doing so much to save our state, what is the city of Philadelphia doing?"—*Forney's Press, June, 1863.*

IN a speech made before the Grant and Colfax Club on last Saturday evening, John Cessna made a bitter assault on the GAZETTE and the *Valley Spirit* for having published a few complimentary notices of him. In order to give him another text for a political sermon, we clip the following from the *Sunday Mercury's* answer to a correspondent who wished to know of the physical and political whereabouts of the aforesaid John. Here is the *Mercury's* answer:

We believe that the John Cessna, who acted as temporary Chairman of the Democratic State Convention, held at Reading, in 1860, still lives in Bedford county; but since then, he has been so busily engaged in political acrobatism, and ground and lofty tumbling, that he has about played himself out. We do not know to what party he now professes allegiance, nor do we believe it is of much consequence. The people have become so disgusted with political demagogues, wire-pullers and thimble-riggers, that these charlatans have very little chance to ply their arts in a way to make the thing pay. The only matter of regret is that the masses did not sooner get their eyes open.

Grant said "let us have peace," and the Radicals at once passed a bill arming the negroes.

LUTZ says, "the issue is, Shall we have Peace or War? The fellow evidently is afraid of another draft.

CORRESPONDENCE.

ST. CLAIR TP., Aug. 21st, 1868.

Messrs. Editors:—The following questions must be answered definitely by the candidates and "stumpers" of the "Republican", or Radical, party before the second Tuesday of October next, or they will be answered by our judgments at the polls on that day against every candidate on the ticket:

1st. Why did the "Republican" State Convention, at Philadelphia, fail to embody a resolution in its platform in favor of taxing government Bonds?

2d. Why did the National Convention at Chicago fail to do the same thing?

3d. Why did the "Republican" lower house of Congress pass a resolution favoring such taxation, but failed to make it a law when they had the power?

4th. Do they expect us, the tax-payers, to pay over $12,000,000 of Income Tax yearly for the purpose of keeping up the Bond-holder who is exempt from taxation?

5th. Why is it that the National debt, instead of *decreasing*, has actually *increased*, during the month of June, the enormous sum of $13,000,000?

We have a few more questions to put to these candidates and speech-makers on the frauds concealed under the National Bank law, and other matters, and not being able to have them published in the "Republican" paper, will ask you to do so.

PLOW-HOLDERS.

THE ARTFUL DODGER.

John Cessna, who is to be the Radical candidate for Congress in this district, was chosen by the Pennsylvania State Temperance Convention that met in Harrisburg a year ago, to draft a Prohibitory Liquor Law to be presented to the Legislature for adoption. He did not draft it. Why? Was it because he made up his mind, after receiving that appointment, to be a candidate for Congress, and because he was afraid he could not be elected on the prohibitory platform? But although he *evaded* the performance of the duty assigned to and accepted by him, and failed to make his appearance at the Temperance Convention held in his own town of Bedford early this summer, where he was expected to explain his omission to draft the law, he did not abandon the Prohibitionists. He attended the National Temperance Convention at Cleveland a few weeks ago and was honored with its temporary chairmanship. At home he stands aloof from the prohibitory movement, but goes abroad to push it on. He wants the votes of Republican distillers, hotel keepers, liquor dealers, and others opposed to a Prohibitory Law; and to these he will say, "I did not present a Prohibitory Law to the Legislature, nor did I attend the Temperance Convention held in my own town." He also wants the votes of the Temperance men, and to those he will say "I was Temporary Chairman of the National Temperance Convention at Cleveland." John is a smart fellow, but can he serve two masters? Which of them does he intend to cheat?—Which of them will be so foolish as to be cheated by him?—*Valley Spirit.*

PITTSBURGH AND CONNELLSVILLE RAILROAD.—The Cumberland (Md.) Union calls attention to the fact that the chief engineer of the Pittsburgh and Connellsville Railroad Company has invited proposals until the 15th of September for the grading, masonry and ballasting upon the unfinished sections between Cumberland and the Uniontown junction, one mile from Connellsville, and adds:

The sections to be let include all the heavy work on the road, and eight of them lie between this and Sand Patch Tunnel. Section 140 is the nearest to this point, being about five miles from town, in the Will's Creek valley. It will be peculiarly gratifying to our citizens to know that this work is to be commenced with such a degree of energy, and more so that this end of the road is to be pushed forward at once. Our fellow-citizen, Mr. John Humbird, is working the tunnel, and we have no doubt others of our citizens will secure contracts. The company have the means to build their road now, and they will do it. In two years we may certainly expect to have trains running between this city and Pittsburgh, and then will be opened up the shortest route between the West and the sea coast—a route which must of necessity eclipse all others.

THE BUTLER ZOUAVES, who set out from Washington as a guard of honor to the remains of the late Thaddeus Stevens, it seems were sent back after getting into Pennsylvania by the managers of the pageant, because it was found their presence was distasteful to the white republicans and citizens generally. They are represented as not being well satisfied with their experience on the occasion.

PERIODICALS.

THE OLD GUARD.—The September number of this excellent Democratic Monthly has been received. The editor throws a bomb-shell into the Mongrel camp, entitled "Resistance to the Reconstruction Acts not Unconstitutional," in which he lays bare to the bone the infamy of these Acts. Our financial friend, "Ben. Franklin," sounds the tocsin of war in a spirit-stirring poem entitled, "Ho! for the Ballot-Box." Dr. Van Evrie contributes an article entitled, "Plymouth Rock and James River." Stories, poetry, miscellaneous articles and the Book and Editor's Tables complete the contents of the September number of THE GUARD. Single copies, 25c.; $3 per year. Van Evrie, Horton & Co., publishers, No. 162 Nassau st., N. Y.

WE have received "The Nursery," for September. This Magazine is decidedly the best, for youngest readers, we have ever seen. Our youngsters are always delighted with it. Every family where there are young children, should at once subscribe for it. $1.50 a year. Address John L. Shorey, 13 Washington st., Boston, Mass.

PETERSONS' MAGAZINE for September is on our table, and maintains its reputation as a first class magazine. It is embellished with a beautiful steel-plate engraving, "The Last rose of Summer; a boarting scene; several pages of fashion plates, drawings, music, &c., besides the usual amount of literary articles by the most popular authors.

YOUNG AMERICA, for September, is here as usual, not gone Pic-nicking, although it is referred to by the Pic-nickers as a source for their amusements. If you have not seen it, you had better get a copy, 15 cents, or $1.50 per year. W. JENNINGS DEMOREST, 473 Broadway, N. Y.

S. D. & H. W. SMITH'S AMERICAN ORGANS.—These are the Organs that took the *first premium* over all competitors at the great St. Louis Fair, in October last. There is nothing more appropriate for a present than an American Organ. Give the Church one, the Sabbath School one, and the Minister one. Music such as may be produced from them will benefit us all. The morals of society will be improved, and the young will in their use find a way to spend many a happy hour, that will do them and others good. These Organs are manufactured by S. D. & W. H. Smith, Boston, Mass.—*Topeka (Mo.) Record.*

BARRETT'S VEGETABLE HAIR RESTORATIVE.—We speak from experience, having given a practical trial to this renowned preparation. *No other hair restorative has ever received or deserved a more universal demand than Barrett's.—Pittsburg Commercial.*

Campaign Gazette!

REPUBLICAN GOVERNMENT, Civil Liberty and Constitutional Rights!

"Light, more light!" is the startling cry of the honest people groping in the darkness of Radicalism. "Light, more light!" shouts the groaning taxpayer, bending under the load which a Radical Congress has heaped upon him. "Light, more light!" is the pleading cry that comes to us from those who earnestly seek a remedy for the disease that is tugging at the vitals of the nation. Look and ye shall see! Read and ye shall know! The BEDFORD GAZETTE, for the Presidential Campaign, will be a complete compendium of political news, speeches, documents and every thing that pertains to a political canvass in the columns of a weekly newspaper. It will be published from the 7th of August until the seventh of November, next, at the following low terms, cash in advance:

One copy,	$ .50
Ten copies,	5.00
Twenty copies,	9.00
Fifty copies,	20.00

Not only should every Democrat have his county newspaper, during the coming campaign, but he should likewise make it a point to furnish his Republican neighbor a copy. This is the plan upon which our opponents have acted for years, and it is about time that Democrats do something of the same sort. NOW, GO TO WORK *and put your Democratic newspaper into the hands of every Republican who will read.* If you will do this you will accomplish more good in six months than you will by any other means in six years. Democratic politicians, throughout the county, are enabled, by the above low terms, to circulate Democratic newspapers at a very small cost. We appeal to them to see to getting up clubs, and to see to it in time. *Now* is the time to sow the seed. After a little while the heat of passion and prejudice will beam upon the public mind in all its intense fierceness, and then seed-time will have passed. Friends, let us hear from you!

No *loss can be more fatal to beauty, especially* in the female sex, than the loss of the hair; glossy, luxuriant hair is one of the most powerful of all personal charms. When baldness or even a deficiency of hair exists, we naturally look for a dry and wrinkled skin, a faded complexion; when not actually seen, we see them in imagination. Why, then not cultivate your hair? Encourage it and strengthen it; or, if your hair is gray or white, the natural color can be restored by a few applications of Mrs. S. A. ALLEN'S IMPROVED (*new style*) HAIR RESTORER OR DRESSING, (*in one bottle.*) Price One Dollar. Every Druggist sells it. aug28m1.

SPECIAL NOTICES.

DR. TOBIAS' Celebrated Venetian Liniment whose wonderful cures, sure and instantaneous action in cases of Chronic Rheumatism, Headache, Toothache, Cuts, Burns, Colic, Cramps, Dysentery, etc., have astonished the civilized world. It is no new catch-penny, but an article that has stood the test of twenty years. The enormous sale and rapidly increasing demand is at once the surest evidence of its usefulness and popularity. Try it and be convinced. No family should be without a bottle in the house—hundreds of dollars, and many hours of suffering may be saved by its timely use. Colic, Cramp, and Dysentery yield at once to its pain-curative properties. It is perfectly innocent, and can be given to the oldest person or youngest child. No matter, if you have no confidence in Patent Medicines—try this, and you will be sure to buy again and recommend to your friends. Hundreds of Physicians recommend it in their practice. None genuine unless signed, "S. I. Tobias." Price 50 cents ber bottle. Sold by all the Druggists. Depot, 56 Cortlandt Street, New York. jul24w4

A NEW REMEDY IN CONSUMPTION.—A Physician who had Consumption for several years, with frequent bleedings of the lungs, cured himself with a medicine unknown to the profession, when his case appeared hopeless. He is the only physician who has used it in his own person, or who has any knowledge of its virtues; and he can ascribe the degree of health he now enjoys to nothing but the use of his medicine; and nothing but utter despair and entire extinction of all hope of recovery, together with a want of confidence in all others induced him to hazard the experiment To those suffering with any disease of the Lungs he proffers a treatment he confidently believes will eradicate the disease. Medicine sent by express. Send for a circular or call on

GRANT GATHERING.—*John Cessna on the Rampage.*—The admirers of "No Policy" held a confab in the court house on last Saturday evening. No doubt the local scribbler for the *Inquirer* whose weekly dissertations of home affairs are models of *veracity*, will treat his readers to a glowing description of the "monster" gathering. It was a "monster!" Another such would crush us. It beats the great "sea serpent," and if we are compelled to witness one more like it, we can't possibly survive, and some one else will have to write locals for the GAZETTE. John Cessna's shrill, steam-whistle voice is yet beating on our ear-drums. "Oh! for a lodge," &c. But to relate The first speaker treated his hearers to a strong cup of Horace Greeley's "Pennsylvania Coffee," which, owing to the suspicion that it was not made of pure Java, was not relished by them. Not being Shugart and without a particle of cream, it was insipid, and unpalatable. It was poor Coffey to say the most of it. This bitter cup was followed by a short exhortation by McFarland. After these several dishes had been served up, then came the desert. This was handed, or rather thrown, around by the ubiquitous Johnny, the man of great political acrobatic notority. He went in "heavy" and slashed about like Taurus in a Chinaman's porcelain establishment. He trampled everything to pieces before him and kicked at everything behind. John is a demolisher, and can squelch more soldiers who want office, than any other man in this Congressional district. His abuse and slander of the Democratic party, which he left some time ago for the party's good, will not procure many votes for him for Congress from that quarter. Curses, like chickens, will come home to roost, and ere long Cessna will learn that the public denunciation of men, who have made him what he is, will recoil on him with damaging effect. The great public heart is not callous and devoid of principle like his own, and the sooner he is taught this, the sooner will the race of demagogues like he be run out.

DIDN'T SPEAK.—Col. Francis Jordan was announced to speak at the Radical meeting on Saturday evening and was in town on that day, but for some reason or other did not do so. Mr. Jordan madea speech in Harrisburg a short time ago, in which he declared unequivocally in favor *of negro Suffrage*. Was John Cessna afraid to have another denunciation of the "poor white trash," the "cowardly mud-sills" of the North, who are afraid to give the negro the ballot, as Tom Marshall expressed it? Dr. Marshall's dose of "manhood" pills are not thoroughly digested yet, and another dose from Jordan might have lain too heavily on the Radical stomachs. This may account for the milk in the cocoanut.

"THE first speaker was no less a character than the notorious rebel General Thomas McKaig of Cumberland." *Inquirer.*

That is too near home for your readers to believe such a *canard*. McKaig never was in the rebel service. It is as big a falshood as the fellow uttered the other day when he insisted that Lutz had been a brave soldier and had an honorable discharge from the Union army. Lutz never was in the service, but managed to "*craw-fish*" out. A little limping, when drafts took place, did the business. "Lord! Lord! how this world is given to lying!"

LUTZ calls one of the speakers at our meeting, "the rebel prosecuting attorney of Baltimore." Mr. Knott, to whom he refers, has more patriotism, more true love for his country and its institutions than ever entered, or ever will enter into the narrow-contracted soul of the sanctimonious hypocrite, who boasts of his "loilty" and morality and traduces braver and better men than he has ever shown himself to be. "Let us have peace."

GIVE US ANOTHER.—We hope the *Inquirer* will give another list of Radical conversions. The one published is so decidedly rich. If you cannot fix up another, publish that one from week to week by all means. It will be such a good standing joke. It beats "Nasby."

"Let us have peace!" cry Grant and Lutz of the *Inquirer*. "Let us have war!" shouts the infernal Brownlow as he calls out thirty thousand militia to destroy the liberties of the people of Tennessee, and prevent a free and fair expression of the will of the majority at the polls.

JOHN CESSNA was very bitter in his denunciation of the "Copperheads" in his speech on last Saturday evening. He will ask some of these "Copperheads" to vote for him before long. Democrats, remember this.

JOHN CESSNA said in his speech, "a man who goes over from our party to the Democrats is the worst 'copperhead' of all." He measures others by his own standard, for as a renegade Democrat he out-Herods Herod.

THE *Inquirer* admonished us to be honest. Set up a school, brother Lutz, and we'll attend.

10,000 fine standard brands of cigars, at 5 cents, at G. R. Oster & Co.'s new store—all to end in smoke.

THE *Inquirer* says they have the inside track. Yes, but it is on the road up Salt River.

One of the latest novelties of the season, the yacht collar. For sale by G. R. Oster & Co.

PERSONAL.—John M. Cooper. Esq., one of the editors of the *Valey Spirit* is in town. Mr. Cooper is an able writer and doing good service in this district.

Hon. Francis Jordan, Secretary of the Commonwealth, was here last week on a visit to his friends.

IN 1864 the Democrats were ridiculed and slandered as the "Peace Party," by the Radicals. Now, in order to cover up *their* tracks of desolation and destruction the whole Radical pack are yelling, "Let us have Peace!"

THE REV. MR. COOK will preach at half-past ten o'clock, on Sunday morning next, in the Catholic Church, of this place. This will be the last occasion of Divine Service in this Church, which is to be pulled down and replaced by a more beautiful and substantial church on the corner of Richard and Main streets.

"Go to thunder!" said Tom;
With ready retort,
Jim answered, "I won't;
But to Crouse's Resort,
I'll go for a beautiful,
Fragrant cigar,
For he keeps the best
In the Borough by far."

If you want cigars, tobacco, meerschaums, or any thing in that line, you can get them better and cheaper at Crouse,s than anywhere else. Remember Crouse's Resort, Carn's Row.

CAMP MEETING.—Perhaps the largest camp-meeting ever held in this county is now in progress in St. Clair township. On Sunday last it was estimated that over three thousand persons were present.

FOUND SALE.—The Inquirer Book Store has at last found Sale for its Grant badges. Nearly all the "manhoods" about town are wearing them. And "the colored troops fought nobly."

If you want good boots and shoes, go to G. R. Oster & Co.'s spacious new store. They have just received a large assortment of D. R. King's ladies' gaiters, boots and shoes, made to order.

AYER'S AMERICAN ALMANAC, for 1869 has been received by B. F. Harry, for delivery gratis, to all who call for it. This number contains proofs to show that some of the stars have existed for *sixty millions of years*. We had not supposed such proof possible, but the Doctor gives it in a shape which seems indisputable. His witicisms have long made his book acceptable; his medical advice makes it indespensible to families, and now he adds the most startling problems of abstract science to its attractions.

H. F. IRVINE is always receiving supplies of new goods, to supply the increasing demand for boots and shoes, queensware and glassware, gent's furnishing goods, etc., etc.

Choice brands of chewing tobacco, just received, at G. R. Oster & Co.'s new store.

AYER'S
HAIR VIGOR,
FOR THE RENOVATION OF THE HAIR.

THE GREAT DESIDERATUM OF THE AGE.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color and the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts longer on the hair, giving it a rich glossy lustre and a grateful perfume.

AYER'S CATHARTIC PILLS,

For all the purposes of a Laxative Medicine.

Perhaps no one Medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:—

For DYSPEPSIA or INDIGESTION, LISTLESSNESS, LANGUOR and LOSS of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For LIVER COMPLAINT and its various symptoms, BILLIOUS HEADACHE, SICK HEADACHE, JAUNDICE or Green SICKNESS, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For DYSENTERY or DIARRHŒA, but one mild dose is generally required.

For RHEUMATISM, GOUT, GRAVEL, PALPITATION OF THE HEART, PAIN IN THE SIDE, BACK and LOINS, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For DROPSY and DROPSICAL SWELLINGS they should be taken in large and frequent doses to produce the effect of a drastic purge.

For SUPPRESSION a large dose should be taken as it produces the desired effect by sympathy.

As a DINNER PILL, take one or two pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these PILLS makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

IF A HUMBUG,

What a wonder
That the doors
Are open wide;
Ever since the
First of August
Thousands have
Pain Paint applied.
Those who lie,
Or call it humbug,
Are the doctors,
Not acquaint;
For they always
Have been jealous
When their patients
Use Pain Paint.
Pile up facts
As high as mountains,
Flash the truth
Before their eyes,
But the cry
Is always humbug,
Men of science
Full of lies.

People know that liniments composed of Cayenne pepper, turpentine, hartshorn, ether, &c., will produce inflammation and pain. To purchase such trash to stop Pain and Inflammation is ridiculous. Fire will not stop heat; a dumb brute shuns the heat, and knows enough to wade in a pond of water, when wounded, to reduce, cool, and cure Inflammation and Fever.

Pimps and gamblers try to look honest, but folks can read the face too plainly. Some try to persuade the ignorant that pills, physic, &c., cleanse the blood, purge the system, and do a hundred other things equally absurd. Everybody knows that it is false, and that no medicine can purify or increase a drop of blood. Food makes blood, bone, and muscle, and is the Staff of Life. Every dose of medicine swallowed is rejected, and hurried out of the system as quick as possible. It is an enemy; yea, a deadly foe. Constipation, ill health, and weakness, are the result of dosing, dosing, dosing the stomach.—The living system has enough to do without working herself to death in expelling and kicking out the pernicious nostrums poured down the throat. Food she welcomes when she needs it; yea, asks for it. Let pill-makers and physic venders stop eating food, and see how long they can subsist on their blood-purifying, invigorating, health-giving medicines and cordials. What humbug is more transparent? A dog would feel so insulted, if offered a dose, he would curl his tail downward in scorn, and run away in utter disgust. All physical pain arises from inflammation. Put out the fire and you stop pain absolutely. You can stop pain as easy as you can quench fire with water. WOLCOTT'S PAIN PAINT subdues inflammation, heat, and fever one hundred times faster than ice. Thousands have had a practical test of its merits at the very moment of most extreme pain and they can testify that it has not failed in doing its work. It is simple; it is harmless, it has no stain; it gives no smart; it is for sale by Druggists everywhere; and it is tested free of cost at 170 CHATHAM SQUARE, N. Y., and 622 Arch Street, Philadelphia

My wife had an ulcer on her leg for thirteen years, caused by varicose veins, ulceration extending from her ankle to her knee, some places eating away to the bone. I have employed over twenty physicians at vast expense during this period. But all attempts at cure proved utterly abortive until I tried Dr. Wolcott's Pain Paint, which the doctors told me was a humbug. But humbug or not, it has done the work completely in less than one month, removing the pain at the first application. I kept her leg wet with Pain Paint constantly until healed. I wish we had more humbugs as useful as Dr. Wolcott's Pain Paint. I am well known in this city, any person who wants to make further inquiry will call at 101 West Street, New York, at the Hanover House, of which I am the proprietor, and I think I can satisfy them as to the benefit derived by the use of Pain Paint.

May 12, 1868. PETER MINCK.

I am selling Wolcott's Pain Paint and Annihilator, and it certainly gives satisfaction to my customers.

STAR AGRICULTURAL WORKS.

THE ALBANY COTTON GIN MANUFACTURING Co., Albany, N. Y., Manufacturers of General Agricultural Machinery, comprising the celebrated "Star" Threshing Machines; "Star" Railway (or Endless Chain) and Lever Horse Powers; "Star" Cotton Gins and Condensers; Circular Cross-cut Sawmills; Vegetable Cutters; Horse Hay Forks; Corn and Feed Mills; Power Corn Shellers; Dog Powers, &c., &c.

We wish to call the particular attention of Farmers to our celebrated "STAR" THRESHER AND CLEANER, which, as lately improved, we claim it far superior to any other machine now in market. It is compact and easily portable, simple in its construction, and therefore easy to operate by the most inexperienced, and will do its work with marvellous rapidity and perfection, and with comparatively the least demand upon the strength of the animals driving it.

We have made recent improvements in this machine by which we are enabled to thoroughly clean the grain under almost any combination of difficulties, and we are now using an entirely new and effective device for relieving the feeder of dust, thus making the operation of threshing as comfortable and safe as with the ordinary machines it is annoying and frequently destructive of health.

These Machines are made of suitable sizes for our "Star" Railway 2 Horse Power and for our "Star" Lever Powers for 4 and 6 horses.

For sale by our agents and dealers generally. For full particulars, send for our Illustrated Descriptive Circular and Price List. Correspondents will please address The Albany Cotton Gin Manufacturing Co., P. O. Drawer 162, Albany, N. Y.

For larger clubs the value increases in the same ratio. Our stock of Goods is all new and in good order. The quality of the Goods is better than those used by any other concern in the country. We are of the opinion that, after reading the above advertisement, some parties will come to the conclusion that they have been severely swindled by some of the bogus Gift concerns in this city.

We cannot offer to the person sending us the largest amount of money for a month, a Gift of money or Watches, as that is a violation of the Law against Lotteries; but in addition to the above liberal terms, we will sell to any one who may send us $10, eleven articles from our exchange list, all to be sent in one order; and for $20 we will sell twenty-two articles from our exchange list, all to be sent in one order.

☞Money sent by Registered Letters or by a Postal Money Order, or Draft at our risk. Catalogues sent to any address.
